## ISO Insider TC 176 ensures stability for ISO 9000 users to make transition

ISO 9001:2000 will remain unchanged for five years from its date of publication on 15 December 2000 in order to ensure a period of stability for users.

p. 19

## Special Report Feedback on ISO 9001:2000 – Worldwide round-up of early market reactions

*ISO Management Systems* presents a round-up of early reactions from the market to ISO 9001:2000, gathered from around the world. The round-up covers the range of user reactions since the feedback comes from a mix of accreditation and certification bodies and from local surveys of user organizations.

p. 45

## International More than just ISO 14001 – guided tour of ISO/TC 207's work programme

How many readers are aware that TC 207 has so far developed a total of 20 standards, guides or technical reports with value-adding potential when used in combination with an ISO 14001-based EMS?
