## ISO Insider New version of ISO 9000 requirements for automotive industry rolls out

A successful partnership between ISO and the international automotive industry has resulted in the publication of a new edition of ISO/TS 16949, which specifies quality system requirements for suppliers in this sector.

p. 44

## International Syrian ISO 14001 pioneers anticipate growing pressure for environmental legislation in developing nations

Two Syrian manufacturing companies have pioneered ISO 14001 certification in the absence of national environmental laws, other than little-enforced “end-of-pipe” emissions regulations.

p. 55

## Enterprises and Organizations IAF warns ISO 9001:2000 feet draggers: ‘It’s later than you think!’

The International Accreditation Forum has issued a stern reminder to organizations currently holding accredited certificates to the 1994 editions of ISO 9001, ISO 9002 and ISO 9003 that the deadline for migrating to ISO 9001:2000 is now only 19 months away.
