Special report Can ISO 9001:2000 aid the humanitarian aid sector?

In the two linked articles making up this Special Report, author David Verboom, Operations Director and Quality Manager of the Swiss nongovernmental humanitarian aid organization, Medair, proposes ISO 9001:2000 implementation as a mechanism to improve the quality and credibility of the humanitarian aid sector, and uses his own ISO 9001:2000-certified organization as a pioneering example.

p. 37

International ISO publishes advice for the small business on implementing ISO 9001:2000

ISO 9001 for Small Businesses aligns the advice with ISO 9001:2000 and explains the standard in plain language, giving examples to illustrate its application.

p. 51

ISO 14001: one for all, or just for some?

The article describes some innovative approaches to removing barriers to the implementation of environmental management systems by SME's.
