Conformity Assessment

Access all standards in just one click
www.iso.org/iso/obp-conformity

This new collection contains the standards covering the main branches of conformity assessment activities, including products, services, management systems, personnel and organizations. Anyone dealing with conformity will benefit, no matter what industry they operate in. So if you work in a body performing conformity assessments such as laboratory testing, inspection or certification, this compilation has the standard for you.

This collection is available on ISO’s Online Browsing Platform (OBP)
www.iso.org/obp

The OBP is a one-stop shop where you will find the entire collection of ISO International Standards as well as related material such as international symbols, terms and definitions, and country codes.
