Your instant access to ISO International Standards

Water safety signs

Access all symbols in just one click
www.iso.org/iso/obp-water

This online collection provides water safety signs for use in public and work areas, such as ports and beaches. It is intended for owners and operators of aquatic recreational facilities and waterfront environments as well as for sign and equipment manufacturers. This portfolio of signs will help make both your professional and leisure environment safe.

This collection is available on ISO’s Online Browsing Platform (OBP)
www.iso.org/obp

The OBP is a one-stop shop where you will find the entire collection of ISO International Standards as well as related material such as international symbols, terms and definitions, and country codes.

Subscribe now
