| Action plan: What are your planned deliverables? | a) Standards Gap Analysis in Mobile Application: To investigate the standard gap analysis in other SDOs with common requirements.  
b) Work Items: To develop possible new work items based on gap analysis and common requirements.  
Deliverables will be submitted to JTC 1 secretary and appropriate JTC 1 SC's with new work items with initial proposal documents. |
| Schedule (initial duration is typically one year, may be extended by Parent Group) | Not to exceed a year after confirmation from the Parent Group, depending on the technology, and then closure  
- D+1M: Kick-off meeting (F2F or Teleconference)  
- D+2M: In-depth gap analysis  
- D+3M: Develop NWI proposals (Teleconference)  
- D+4M: Final review of deliverables (Teleconference)  
- D+5M: Report to JTC 1 plenary  
*Note that it will be initiated after the ballot. |
|---|---|
| Describe your working methods for decision process (Recommend consensus-based, fair, open and transparent process for development and approval) | Openness, fairness and simplicity.  
Output documents will be produced, representing a consensus of the experts within the Incubator group.  
Individual participants are welcome from both inside and outside of JTC 1. |
| Describe your operating methods, e.g. Mailing lists (public or private?) Information repository (public or private?) How will you meet: f2f? teleconference? Do you plan to promote the activity and how? Note: these facilities are not provided by JTC 1 for Incubator groups | The Incubator group will make participation list to be publicly visible.  
The work will be done mainly via email. A mailing list will be open for any member in the incubator group.  
Face to face meetings and teleconference will be held as scheduled. If required, additional meetings will also be held with prior consultation.  
National Bodies, JTC 1 Liaison Organizations, SC, JTC 1 WGs and JTC 1 SWGs are invited to submit the names of your delegates to IG Convenor (syl@etri.re.kr). |
| Intellectual Property: Contributions must adhere to the ISO/IEC copyrights and patent policies | Agree |
| Can you provide for your meeting arrangements, mailing lists, teleconferences, information repository, etc. | Agree |
| Are you aware of whether this work fits into the scope of one or more JTC 1/SC(s)? Please list. | JTC 1/SC 6: Network, transport and future network  
JTC 1/SC 24: Mobile Visual Content & AR  
JTC 1/SC 27: Mobile Security  
JTC 1/SC 29: Codec & Middleware for mobile device  
JTC 1/SC 31: Mobile Item Identification and Management  
JTC 1/SC 35: User Interface for Mobile Device  
JTC 1/SC 37: BioAPI for mobile applications  
It is highly recommended that JTC1 Plenary be a parent group for this incubator group since this group is closely related with many SC’s.  
Note1: Currently there is no appropriate SC in JTC 1, but there are many SCs which are partially related to Mobile Application areas. |
Once completed, send this form to jtc1planning@jtc1.org

You can start the work immediately. Within 90 days you will receive:

- The identification of your Parent Group in JTC 1, to which you will send progress reports and deliverables
- Possibly comments on your proposal (to be addressed in 90 days after they are received)
