Call for experts ISO/TC 260/TG 'Sustainable employability'

To all P, O and L members of ISO/TC 260 'Human resource management'

Dear members,

At the second meeting of ISO/TC 260 (Melbourne, 2012) it was decided to establish a Task Group 'Sustainable employability'.

To ensure all experts are informed and nominated, this call for experts is circulated.

Main task for the Task Group is to revise the already circulated draft for 'Management by sustainable employability of staff', ISO/TC 260 document nr N0031. When a revised final version is made, this will be sent to ISO/TC 260 for distribution on time before the next meeting in September 2013.

P-member countries are requested to nominate representative expert delegates to participate actively in the work of ISO/TC 260/TG 'Sustainable employability'. O-members who want to nominate experts are requested to consider changing their membership into P-member.

Experts can be nominated for this Task Group by sending an e-mail to Stephanie.jansen@nen.nl, preferably before 10 December 2012.

When you have any further questions, please contact me.

Yours sincerely,

Stephanie Jansen
ISO/TC 260/TG 'Sustainable employability'
